PLATINUM PRINTS
BY ROBERT CAPA

In honor of their 60th anniversary, Magnum Photos has commissioned Verso Limited Editions to produce a hand-bound collection of limited-edition platinum prints by Robert Capa, Henri Cartier-Bresson, George Rodger and David Seymour. **Magnum Founders** is published in cooperation with the estates of the four founders, with a foreword by Elliott Erwitt.

Each handcrafted book contains twelve original, bound platinum prints (three from each photographer, as pictured at left) and two free-standing 14 × 16 inch platinum prints by Robert Capa and George Rodger (pictured bottom left). The edition is limited to 75 numbered, estate-stamped copies, created using the finest traditional processes and materials. The text is hand-set and letterpressed on 100% cotton-rag paper. The platinum prints exhibit an unusually broad tonal range and rich, yet delicate detail. Each book is individually bound, encased in a custom clamshell and a solid walnut box.

Magnum Founders was unveiled on June 21, 2007 during Magnum's 60th Anniversary celebration. The book will be available for purchase and delivery after September, 2007.
